Sports Day

Well done to all of the children for their participation in sports day. Thank you to parents/carers and grandparents for all of your support yesterday.

The Question Key

Give 5 questions that would give you the answer 'The Rainbow'

Fun Run Success

It was an absolute pleasure to run at the Penkridge Fun Run on Sunday, seeing so many of our pupils doing so well in the race. Special mentions go to Robbie and Bethany Donaldson who were running to raise money for Compton Hospice. They will follow on from this with a 9 mile walk. On the 6th August they are also holding a charity night at the Monckton recreation centre. Their family has already raised £3000 so we hope that they can continue to try to beat this amazing total. Well done! Congratulations go to Tyler Hawley who came 12th in the race overall and second place in his age group. As for George Partington, who completed the race on his bouncing stilts - what an achievement! Lots of our other pupils did well so we will be very happy to mention other proud moments next week if you let us know their achievements. Well done to everyone that took part or supported the day. It makes me so proud to live and work in Penkridge, as it is such a special community.

Regards, Mrs Frost.

'Break a leg' wishes:

A number of our very talented pupils are starring in the musical 'Annie' next week at the Prince of Wales theatre. We wish all of our pupils that are involved 'break a leg' and would like to say how proud we are of them all.

10th March 2016

Dear Parent / Carer,

LEAVE OF ABSENCE (HOLIDAYS) IN TERM TIME

The Wolgarston Collaboration is aiming to keep the attendance rates of all its pupils as high as possible. Due to consistency between schools we have made significant improvements to attendance rates across all eleven schools since the attendance agreement within the Collaboration.

Following the recent High Court Judgement regarding a Parent's holiday request we have been contacted by Nick Gibb, MP who has reiterated the guidance that leave of absence should only be granted in exceptional circumstances. These are classed as 'rare, significant, unavoidable and short'.

These are still at the discretion of the Headteacher in each school. The Department of Education is due to send out further guidance to schools in the near future.

Should the school decide not to grant leave of absence and parents still take their child out of school, the absence will be recorded as unauthorised, which may then be referred to the Education Welfare Worker for further action. We would urge you to support the schools and your child's progress by ensuring they are in school as much as possible and holidays are not taken in term time.

ATTENDANCE WEEK—Monday 4 July to Friday 8 July

In order for our children to reach their full potential, it is important that they attend school every day and arrive on time

For the week of 4 to 8 July, we will focus on school attendance as a priority. The Education Welfare Service and other agencies will be working closely with us during this week to tackle any attendance or punctuality issues which emerge.

Our focus on attendance for this week will mean that:

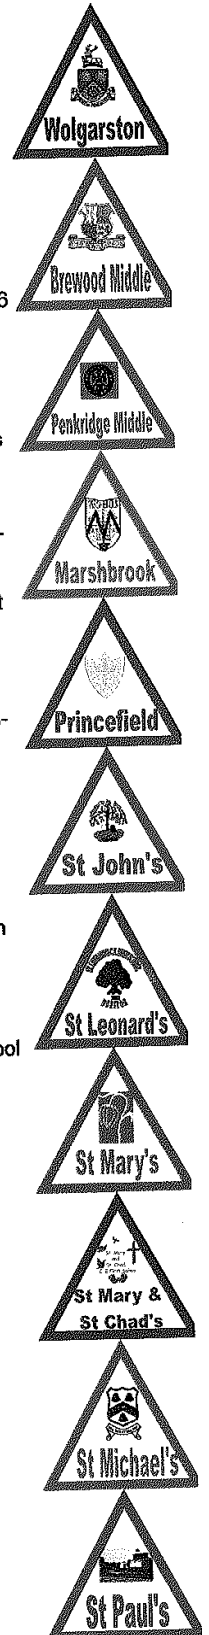

- You may receive a home visit from Education Welfare, or other agencies, if your child does not attend school during this week or if there are any current or on-going concerns, such as with a child's punctuality.
- School Assemblies/Collective Worship are likely to have a strong attendance focus.
- Your child may meet with an Education Welfare Officer in school to discuss their school attendance and ways of improving their percentage attendance.
- Education Welfare Officers and the Police will be conducting truancy patrols.
- A target of 100% attendance is the goal for all of our children.

Thank you, in advance, for your support.

Yours sincerely,
