Staffing Matters

At the end of this term we will be saying goodbye and good luck to two Teaching Assistants: Mrs Shore and Miss Gillan. We wish them both well in their new ventures and thank them for their valued support to our students over many years.

Congratulations to all of our dancers.

We were really proud of all of our students who were involved in the dance festival at Wolgarston last night. They were amazing. Our huge thanks goes to Sandra Woollett, from Sandra's School of Dance for her choreography and Mrs Shore who runs our dance club in school, as well as our PE staff for their organisational support. Thank you also to parents for your support for the event.

As Mrs Shore will be leaving next week, if any of the dancers would like to pay a small donation we will buy her some flowers from the group.

Pupil achievements

Congratulations go to Beau Greatbach who appeared recently and sang a solo in a concert at the Prince of Wales theatre. Please view an amazing video of her singing on our Twitter and Facebook. You can also access it via our school website.

We are also proud of Alfie Reynolds who has recently joined the school and has been busy making amazing very detailed origami animals – again view Alfie’s creations on Twitter.

We love to celebrate all successes here at PMS, so please let us know what your children have achieved out of school and we will do our best to share it in l’hebdo and celebrate it in our assemblies. Please email in to school using office@penkridge.staffs.sch.uk.

Y6 only

Easter School

Thank you for the interest in our Easter School. All of the students who have returned forms so far are able to have a place. If you would like your Y6 child to attend and haven’t yet applied to school, please contact the school office by the end of Monday next week. We will be having a visit from a paramedic and their ambulance on Wednesday and a very special visit from animals on the Thursday.

Year 8 only

On Wednesday 5th April Year 8 will be having their photographs taken as a class; afterwards there will be an opportunity to have friendship groups taken - these must be organised in advance to save the photographer time. Payment envelopes will be given out to pupils and each person in the photo must purchase a copy at £7 each, exact money or cheque – payment to ‘Tempest Photography’. No photos taken unless payment made. Thank you.

Year 6 only

Easter School – April 12th & 13th

We would like to run an Easter school for 2 days during the Easter holidays to do some fun activities to help us prepare for SATs. If students attend they will also be treated to a special activity on each day. On one day we will be having a special visit from some animals and on the other day we will be having an ambulance come to school and students will be able to see how it works etc. Many of the activities on the days will promote revision but through very fun and practical tasks such as an Easter egg hunt. We propose to run the days from 9.30am until 2.30pm on 12th and 13th April. There will be no cost to the days but we must know names and numbers as soon as possible so that we can plan staffing and activities. Children do not need to wear uniform but will be required to bring a packed lunch. We may not be able to accommodate all students so please sign up quickly. If you would like your child to attend please complete the slip and return it to the school office or ask your child to pass it to their Y6 class teacher.
