

Penkrige Middle School – Sports Funding Impact Report 2014-15

Amount of grant received: £9,000

Area Developed	Cost	Impact	Sustainability
Physical Education Curriculum – Peer and self-assessment	£880.36 – iPads purchased for use within PE lessons.	These had an enormous impact on supporting target groups of pupils to be able to see their next steps within PE and to build upon this.	iPads will continue to be used within Physical Education lessons to support target groups of pupils. As this was such a success, we are looking to purchase further iPads for pupil use.
Wider curriculum opportunities - competition	£5025.59 – hiring of an additional PE member of staff to build capacity.	As a result of creating extra capacity, teaching was good, with fresh ideas from newly qualified teachers. iPADS were used to capture teaching of Shot Putt (independent learning). Member of staff appointed also concentrated on cricket as he was a specialist. 3 teams were entered in School Games event. Head of Department completed the School Games application – Silver Mark achieved.	Fresh ideas now embedded into our PE curriculum. PE department evaluation of School Games criteria. In recognition of the success in the past two years, PMS will strive to sustain the activities currently offered.
Wider curriculum opportunities -additional extra-curricular opportunities	£ 250 Golf Club £ 1000 table tennis equipment £ 250 Kurling equipment	First course of 6 sessions (June 2015) – 12 x KS2 pupils participated in 3 sessions at PMS and 3 at the 3 Hammers Golf Club. One of those pupils is now attending the golf club as a member. Second course of 6 sessions (November 2015) – 14 x KS2 pupils participating. Table tennis was also a club that attracted KS2 pupils (register taken).	This is a valuable community link with a highly qualified coach. It is a successful club, therefore we aim to continue the link/club. We look to enter table tennis events within the School Games calendar.

The above information is an extract from the overall Sports Premium Development Plan. We will update this document as and when updates in the school's PE Department occur.
